Dear Dr Wong,

Re: Achievements of Your Graduates

We are ecstatic to welcome the academic year of 2021-2022 by sharing with you the commendable achievements made by your graduates in the past few years. We would like to share the delight with you by attaching a list of notable recognitions which your graduates have been rewarded.

With God's grace and the joint effort of the school community, the spirituality of students is nurtured and academic progress has been made. This year, 87.4% of our candidates met the 33222 requirement while 92.4% and 87.4% of them received JUPAS offers and offers from Bachelor's Degree programmes in Hong Kong respectively. The programmes are very diversified, including Medicine, Physiotherapy, Medical Laboratory Science, Biomedical Engineering, Architectural Studies, Social Sciences (Government and Laws) and Laws (double degree), Business Administration, Insurance, Financial and Actuarial Analysis, Investment Science and Finance Analytics, Professional Accountancy, etc. We are particularly motivated by this result.

Our students have shown their potentials and been recognized as outstanding students both at team and individual levels. In the previous academic year, our students received two Gold, one Silver and three special awards in "iCAN 2021 International Invention Innovation Competition in Canada". Student leaders also won The Best School Team for the fourteenth time in Sai Kung District Outstanding Students Election. In addition, our students have also attained fabulous results in various competitions in sports, music and aesthetics. We will remain dedicated to nurturing our students to fully unleash their immensurable potentials.

Sun Kei Secondary One Admission Talk 2022/2023 will be held soon. We would be grateful if you could distribute the leaflets to your students. The entirety of our recent achievements and development is shared in the enclosed school publication – FACETS. We hope to witness the work of God with you. Should you have any enquiries, please contact our Vice Principal Mr. Liu Chi-yung at 2191 6022.
