Dear Principal

1st Term Examination Results – Secondary One

It is with great pleasure that I share with you that your past students have achieved outstanding results in their first secondary school examination. Your students' enthusiasm in learning is evident and feedbacks from teachers are always encouraging. Outside classroom, they have demonstrated dedication to our school through active participation. Their achievement is an exemplar to King Ling students:

I am sure your teachers and students will be so proud when they receive this piece of good news.
