Dear Ms. TSANG,

A total of 1 of your P.6 graduates were admitted to our school in September 2023 and they have successfully completed the first term course. Please find enclosed a copy of their 1st term exam results (2023-24) as your reference.

Your school always enjoys a reputation of having good learning atmosphere and your students are well-known for both their good conduct and academic excellence. In order to help your students get a place in our school where they can realize their potential, we would like you to further encourage your students, especially those who find our school suitable for them, to choose our school as their first choice at the Central Allocation stage.

With the purpose of helping your students make a more informed choice regarding their secondary studies, I enclose a package of various leaflets and reports for your reference.

Thank you very much for your help and consideration.

Yours sincerely,

Mr. YEUNG Chi-Keung
