Dear Ms. Tsang,

It is a pleasure for me to inform you that one of your graduates achieved exceptional academic performances in St. Francis Xavier's College (SFXC) in the First Term Examination 2024-2025. He is a brilliant and respectful student favored by his peers and teachers in our school. His diligence made him an outstanding achiever among the top 10% of his cohort. Hence, he is nominated to be a SFX Junior Ambassador to act as a role model for his schoolmates.

Every year, it is a tradition in our school for the SFX Junior Ambassadors to visit their primary alma maters to show their gratitude and appreciation for the nurture and guidance they received in their alma maters. This year, the SFX Junior Ambassador who graduated from your school (see attachment) would like to pay a visit to his alma mater in the coming weeks. This is an appropriate gesture for him as their excellence stems from a concrete foundation laid by you and your colleagues when he was under your care.

I would also like to take this opportunity to thank you and your school for your devotion to your students' studies and development. I am sure their attributes and academic achievements will continue to grow, and they will become successful contributors in our society.

I wish you and your school the best in all your future endeavors. We certainly look forward to admitting more outstanding students from your school in the future. Thank you.

Yours sincerely,

---
